The Society of Nuclear Medicine Awards Committee announces that two fellowships for $25,000 each are available for July 1, 1994.

The objectives of these fellowships are to: (1) Encourage physicians to enter the field of Cardiovascular Nuclear Medicine, and (2) Support high quality nuclear cardiology clinical research.

Funds can be used to support the research and/or salary of the investigator. Preference will be given to young physicians, or those new to the field of Cardiovascular Nuclear Medicine. Awards will be announced at the Annual SNM Meeting, June, 1994.

MALLINCKRODT FELLOWSHIP

Mallinckrodt, Inc. has announced an Annual Fellowship of $30,000 for a physician fellow active in nuclear medicine research and/or development. The award is to further a research or development project, and applicants are asked to submit their curriculum vitae, a detailed account of their research project including prior accomplishments on the project, and future plans. Deadline for this year’s award is January 7, 1994. Requested information, along with at least two letters supporting the application, should be forwarded to: William J. MacIntyre, PhD, The Society of Nuclear Medicine, 136 Madison Ave., New York, NY 10016-6760. The recipient will be announced at the Annual Meeting of The Society of Nuclear Medicine.

The Society of Nuclear Medicine announces the second in a series of research grants supported by Medi-Physics, Inc., Asherham Healthcare to further work in the use of unsealed sources in therapy applications.

This year’s grant of $30,000 offers you the opportunity to do high quality, innovative research in an exciting therapy area and to enhance the emphasis of therapy in nuclear medicine. Preference will be given to young physicians or scientists who have recently entered the field.
