AWARDS COMMITTEE, SNM

Named Lectureships—Lectureships are available in either the Scientific Program or Continuing Education track of the June Annual Meeting. An SNM Chapter or Council may apply to the Awards Committee for a "named" lectureship (e.g., "Blumgart Lecture" sponsored by the New England Chapter). The rules are as follows: a) submit applications one year prior to the June Annual Meeting, b) sponsorship must be committed for a minimum of three years and requires that a minimum deposit of \$3,000 (approximately \$1,000/year) be placed in a specially designated fund by the sponsoring body. The sponsor must also pay for the lec-

turer's travel, hotel, food, and incidental expenses at the Annual Meeting, and a suitable honorarium (e.g., minimum of \$500), and c) selection of the lecturer will be made by the Scientific Program Chairperson or designee in consultation with the sponsoring Chapter or Council.

FIRST IMPRESSIONS?

JNM Editor, H. William Strauss, MD, is interested in receiving unusual images of traditional scan subjects or scans of non-traditional subjects, for a new addition to the Journal entitled "First Impressions." Akin to Dr. Henry Wagner's "Image of the

Year," these images need not be related to the submission of manuscripts to the Journal. Rather they should be interesting in and of themselves. Submit your images, along with a completed form (included below), to:
