Call for Scientific Exhibits

The Program Committee is now selecting Scientific Exhibits for the 15th Annual Meeting. The committee solicits both large and small scientific exhibits from both members, non-members and organizations. To plan space, the Program Committee must have an abstract of each exhibit including the following:

Exhibitor's Name: Underline the responsible exhibitor.

Title of Exhibit: Maximum of 10 words.

Abstract: Maximum of 100 words.

Indicate the minimum number of front feet required to precisely display exhibit. The abstracts will be edited by the Program Committee and possibly published in the final program.

Send abstracts on or before May 1, 1968 to:
