

THE SOCIETY OF NUCLEAR MEDICINE

16th ANNUAL MEETING

June 22-28, 1969

Jung Hotel

New Orleans, Louisiana

ANNOUNCEMENT AND CALL FOR ABSTRACTS FOR SCIENTIFIC PROGRAM

The Scientific Program Committee welcomes the submission of abstracts of original contributions in nuclear medicine from members and nonmembers of the Society of Nuclear Medicine. Papers will be considered on the following subjects:

- Clinical diagnosis
- Clinical investigation
- Basic science relating to physiology, metabolism or nuclear phenomena
- Radiopharmacology
- Radioisotope therapy
- Nuclear instrumentation
- Radiation biology

Papers will be selected for presentation at Plenary Sessions as well as at Scientific Section Meetings.

GUIDELINES FOR SUBMITTING ABSTRACTS:

Abstracts *must* be submitted in the following format to receive consideration. The length must not exceed 400 words. Abstracts are to be typed (double spaced in lines containing 50 characters) on the official abstract form which can be obtained from a member of the Society or by writing The Society of Nuclear Medicine, 211 E. 43rd St., New York, N.Y. 10017. Three carbon copies on plain paper must also be submitted.

Each abstract *must* contain the name(s) of the author(s), their institution(s) and the mailing address of the author presenting the paper. Underline the name of the author who will present the paper.

Each abstract *must* contain the following information in this order:

1. Purpose of the study
2. Methods used
3. Results with pertinent supporting data
4. Conclusions

Abstracts that are accepted will be published in the June 1969 issue of *The Journal of Nuclear Medicine*.

So that each work will receive maximum consideration, authors are urged to submit to the Scientific Program Committee supplementary data (charts, graphs, figures, tables, etc.) supporting their abstracts. This material will not be published.

Send the official abstract form and the three carbon copies to:

Wil B. Nelp, M.D.
Chairman, Scientific Program Committee
University Hospital
University of Washington
Seattle, Washington 98105

DEADLINE: February 5, 1969

ANNOUNCEMENT TO AUTHORS
CASE REPORTS

Space will be provided in each issue of THE JOURNAL OF NUCLEAR MEDICINE to publish one case report.

The text of the manuscript should not exceed 1,200 words. Authors may submit (1) two illustrations, (2) two tables or (3) one illustration and one table. An additional 400 words of text may be submitted if no illustrations or tables are required.

The manuscript should be mailed to the Editor, George E. Thoma, St. Louis University Medical Center, 1504 South Grand Blvd., St. Louis, Missouri 63104.

PRELIMINARY CALL FOR NUCLEAR MEDICINE ART EXHIBITS
FOR 16TH ANNUAL MEETING IN NEW ORLEANS

June 22-28, 1969

The Scientific Exhibits Committee is planning a nuclear medical art exhibit open only to technicians (technical affiliates and associate members) who will display their best "works of art." This "art" may consist of normal and abnormal scans, scintiphotos, renograms or other dynamic studies, etc. Display and format details will be given in forthcoming issues of the Journal. Entries will be hung in the area of the scientific exhibits throughout the 16th Annual Meeting. Prizes for the best exhibits will be awarded at the Annual Business Meeting. Notice of intent to exhibit should be sent before May 1, 1969 to:

JACK K. GOODRICH, M.D.
Box 3223
Duke University Medical Center
Durham, North Carolina 27706
