\$110.00 for nonmembers

Send my order to:

All orders must be accompanied by check or purchase order. Make checks payable to the Society of Nuclear Medicine, Inc. Costs given include handling and mailing in the United States.

Erratum

Typographical errors appear in the book review entitled "Atlas of Human Anatomy" by Frank H. DeLand (*J Nucl Med* 20: 368, 1979). The correct information for the book reads as follows:

Atlas of Human Anatomy, 9th English Edition. Frank H.J. Fegge and Walter J. Hild (Eds)—original author Johannes Sabotta. Baltimore-Munich, Urban and Schwarzenberg, 1977. 3 volumes. \$99.50.
