

Meeting announcements from non-profit organizations will be considered for publication in *The Journal of Nuclear Medicine* free of charge if the following information is included: 1) date, title, and location of meeting; 2) sponsoring group; 3) topics presented; 4) whether or not commercial exhibits are held; 5) deadline date for submission of abstracts; 6) number of CME credit hours; 7) registration fees; and 8) contact person, address, and telephone.

Important notices pertaining to awards, certification exams, grants, and other announcements deemed appropriate by the Editor will also be considered for publication. They should be limited to a maximum of 200 words.

All announcements must be submitted at least 4 months before the meeting date or notice deadline, and will be published no later than the issue of the month preceding the meeting or notice deadline. They are subject to editorial review and editing and should be pertinent to nuclear medicine. Please forward all non-profit announcements to: Andrew Prince, The Society of Nuclear Medicine, 136 Madison Avenue, New York, NY 10016-6760 (212) 889-0717. For-profit organizations wishing to announce meetings may purchase ad space by contacting Peter Walsh (address and phone above).

Meetings Sponsored by The Society of Nuclear Medicine

MARCH 9-11, 1989

Central Chapter SNM, 1989 Spring Meeting, Quantitative Nuclear Medicine, Westin O'Hare, Chicago (Rosemont), Illinois. Topics include SPECT, renal function, marketing nuclear medicine, quality assurance and control, JACH requirements, and monoclonal antibodies. Exhibit space: 8' x 10' booths available at \$750. 12 hr AMA Category I credits available. *Fees:* \$125 physician/scientist; \$75 technologist; \$25 trainee. *Contact:* Central Chapter, SNM 2321 Fourth St., Suite 111, Tucker, GA 30084 (404) 493-4524.

MARCH 16-19, 1989

Southwestern Chapter, 34th Annual Meeting, Excelsior Hotel, Little Rock, Arkansas. There will be commercial exhibits. The number of AMA Category I credits has yet to be determined. *Fees:* Members—physician/scientist \$100, technologist \$55, student \$25; nonmembers—physician/scientist \$125, technologist \$85. *Contact:*

Justine J. Parker, PO Box 40279, San Francisco, CA 94140 (415) 647-1668.

MARCH 31-APRIL 1, 1989

Greater New York Chapter, Technologist Section, SNM, 8th Annual Spring Symposium, Bally's Park Place Hotel and Casino, Atlantic City, New York. Topics presented include SPECT imaging from a technologist's point of view, clinical imaging, and stress management. *Contact:* John Reilley, Hospital of the University of Pennsylvania, 3400 Spruce St., Philadelphia, PA 19104 (215) 662-3055.

APRIL 6-8, 1989

Prairie Provinces Chapter Annual Meeting, Convention Inn, Edmonton, Alberta, Canada. Topics presented include SPECT, brain imaging, and therapeutic applications. *Abstracts deadline:* March 1, 1989. *Fees:* \$40 physician/scientist; \$25 technologist. *Contact:* J.R. Scott, 11560 University Ave., Edmonton, Alberta, T6G 1Z2, Canada (403) 432-2167.

APRIL 7-8, 1989

The Brain, The Self, and Nuclear Medicine, German Research Foundation and

The Society of Nuclear Medicine Annual Winter Meeting

Title: SPECT—How To Get Started: How To Do It Well

Date: Monday-Tuesday, February 13-14, 1989

Location: LeMeridien Hotel, New Orleans, Louisiana

Program: Includes a national panel of distinguished speakers presenting topics on SPECT.

Sponsors: Computer & Instrumentation Councils of the Society of Nuclear Medicine.

CME Credit: 13 hr AMA Category I

VOICE Credit: 13 hr VOICE Credit for Technologists

Fees: \$175 SNM members; \$205 nonmembers; \$75 technologist members; \$95 nonmembers.

Contact: The Society of Nuclear Medicine, The Education & Meetings Dept., 136 Madison Ave., New York, NY 10016-6760 (212) 889-0717; FAX (212) 545-0221.

The Society of Nuclear Medicine 36th Annual Meeting

Date: Tuesday-Friday, June 13-16, 1989

Location: Cervantes Convention Center, St. Louis, Missouri

Program: Includes premeeting seminars for nuclear medicine practitioners, referring physicians, and senior technologists; over 1,000 scientific papers, posters, and exhibits. There will be technologist programs and commercial exhibits.

Deadline for submission of abstracts: Scientific papers, Thursday, January 12, 1989; scientific exhibits, Thursday, January 19, 1989; works-in-progress, Friday, April 7, 1989

CME Credit: AMA Category I, ACPE, and VOICE credits available

Fees: \$130 physician and scientist members; \$120 technologist members; \$225 physician and scientist nonmembers; \$220 technologist nonmembers.

Contact: The Society of Nuclear Medicine, Education & Meetings Dept., 136 Madison Ave., New York, NY 10016-6760 (212) 889-0717; FAX (212) 545-0221.

The Society of Nuclear Medicine, Bonn, Germany. Topics presented include basic sciences, restive & cognitive states of the brain, PET, SPECT, and psychiatric disorders. *Fees:* not yet determined. *Contact:* Ron Tikofsky, MD, Div. of Nuclear Medicine, Medical College of Wisconsin, Milwaukee, WI 53226 (414) 257-6068.

APRIL 7-9, 1989

Mideastern Chapter 19th Annual Meeting, Omni Charlottesville Hotel, Charlottesville, Virginia. The program will include submitted papers, invited speakers, teaching sessions, and exhibits. The featured topic is Interventional Nuclear Medicine and Myocardial Viability including SPECT, PET, and MR spectroscopy. Approved for credit toward the AMA Physician's Recognition Award under Continuing Medical Education Category I through the SNM. *Contact:* James L. Tatum, MD, Division of Nuclear Medicine, Medical College of Virginia, Box 1, MCV Station, Richmond, VA 23298 (804) 786-8263.

APRIL 10-12, 1989

The British Society of Nuclear Medicine, Annual Meeting, Imperial College, Lon-

don, England. There will be commercial exhibits. The meeting includes a Technologist Program. *Fees:* £30 physician/scientist members, £40 nonmembers; £16 technologist/radiographer/nurse. 16 Category I credits available. *Contact:* Mrs. S. Hatchard, Conference Secretary, 157 Auckland Rd., London, SE19 2RH (01) 653-4204.

APRIL 14-16, 1989

Pacific Northwest Chapter, Annual Spring Meeting, The Western Bayshore, Vancouver, BC. Topics presented include an update of nuclear medicine. There will be commercial exhibits. 12 AMA Category I and VOICE credits available. *Fees:* \$50 physician/scientist members; \$45 technologist members; \$60 physician/scientist nonmembers; \$55 technologist nonmembers; \$75 other. *Contact:* Joyce Matin, Executive Director, PO Box 2189, Roseville, CA 95746. (916) 791-3428.

APRIL 21-23, 1989

Southern California Chapter, Spring Meeting, Sheraton Mission Palms, Tempe, Arizona. Topics presented include SPECT and PET. There will be commercial exhibits. 12 AMA Category I and VOICE credits available. *Fees:* \$60 physician/scientist; \$30 technologist members; \$75 physician/scientist nonmembers; \$45 technologist nonmembers. *Contact:* Joyce Matin, Executive Director, PO Box 2189, Roseville, CA 95746. (916) 791-3428.

APRIL 28-29, 1989

Eastern Great Lakes Chapter, 10th Annual Meeting, Brock University, St. Catherine's, Ontario, Canada. Topics presented include nuclear antibodies, SPECT, and nuclear cardiology. Number of AMA Category I credit and fees to be determined. The meeting includes a technologist program. *Contact:* Paul Weiss, MD, Rochester General Hospital, 1425 Portland Ave., Rochester, NY 14621. (716) 338-3580.

Meetings Sponsored by Other Organizations

FEBRUARY 10-11, 1989

24th Annual San Francisco Cancer Symposium: The Present and Future Role of Monoclonal Antibodies in the Management of Cancer, St. Mary's Foundation, Le Meridien Hotel, San Francisco, Califor-

nia. *Fees:* \$350; \$75 residents. *Contact:* J.M. Vaeth, MD, c/o St. Mary's Foundation, 450 Stanyan St., San Francisco, CA 94117 (415) 750-5715.

FEBRUARY 17-18, 1989

Current Status and Future Directions in Monoclonal Antibody Based Imaging and Treatment, University of Miami, Contemporary Resort, Orlando, Florida. *Fees:* \$85-\$115. *Contact:* Gloria Allington, Div. of Cont. Medical Education, University of Miami School of Medicine, PO Box 016960 (D23-3), Miami, FL 33101 (305) 547-6716.

FEBRUARY 19-22, 1989

Palm Beach Magnetic Resonance Imaging Update, Boston University Medical Center and JFK Memorial Hospital, Lake Worth, FL, The Breakers, Palm Beach, Florida. *Fees:* \$400 physicians; \$310 scientists and technologists. *Contact:* Pam Brickely, Dept. of CME, Boston University School of Medicine, 80 E. Concord St., Boston, MA 02118 (617) 638-4605.

MARCH 1-5, 1989

15th Annual Meeting and Scientific Sessions, American College of Nuclear Physicians, Sheraton, Bal Harbour, Florida. Topics presented include radionuclide therapy, PET, SPECT, and clinical decision making. 16.5 Category I credit available. *Fees:* \$300 members; \$375 nonmembers; \$100 guest; \$95 tech/resident. *Contact:* American College of Nuclear Physicians, 1101 Connecticut Ave., NW, Suite 700, Washington, DC 20036 (202) 875-1135.

MARCH 3-5, 1989

Asia-Pacific Alzheimer's Disease Conference Hilton Hawaiian Village, Coral Ballroom, Waikiki, Hawaii. Topics include research update, pathology, assessment, therapeutic environments and modalities, and alzheimer's disease and related disorders of Asia and the Pacific. Accredited for 21 Category I credits. *Fee:* \$450. *Contact:* Katherine Kim, Pacific Islands Geriatric Education Center, 347 N. Kuakini St., Honolulu, HI 96817 (808) 523-8461.

MARCH 5-8, 1989

Asia-Pacific Osteoporosis Conference, Division of Geriatric Medicine, The Osteoporosis Center, and The University of Hawaii, Hilton Hawaiian Village, Tapa Tower, Waikiki, Hawaii. Topics include the methodology of risk assessment, applications of risk assessment to osteoporosis, the

treatment of "at risk" individuals, other treatment therapy, and estrogen therapy. Accredited for 24.5 Category I credits. *Fee:* \$450. *Contact:* Shirley Kuma, Kuakini Osteoporosis Center, 347 N. Kuakini St., Honolulu, HI 96817 (808) 547-9578.

MARCH 10-12, 1989

Radiopharmaceutical Basis for Nuclear Medicine, University of Connecticut Health Center, Marriott Hartford Hotel, Farmington, Connecticut. Topics presented include central nervous system, cardiovascular, protein in blood element labeling, and studies of major organs. Invited papers only. 17 CME Category I credit hours. *Fees:* \$190. *Contact:* Dept. of Nuclear Medicine, Univ. of Connecticut Health Center, Farmington, CT 06032 (203) 679-3120

MARCH 16-18, 1989

PET: Imaging on Brain Chemistry, The Johns Hopkins Medical Institutions, Thomas B. Turner Building, Baltimore, Maryland. This symposium will cover the basic principles and applications of PET in biomedical research and clinical practice. There will be case presentations, as well as practical considerations in establishing PET centers, including the question of third-party reimbursement. 14 AMA Category I credit available. *Fees:* \$390 physician; \$290 residents. *Contact:* Joan Liston, The Johns Hopkins Medical Institutions, Office of Continuing Education, Turner Building, 720 Rutland Ave., Baltimore, MD 21205 (301) 955-2959.

MARCH 18, 1989

Nuclear Medicine Symposium, Kaiser Permanente Southern California Medical Group, Pasadena Hilton, California. Topics presented include an overview of PET imaging, SPECT in bone, radionuclear imaging in GI, and renal imaging. Six hr Category I credit available. Fees to be determined. *Contact:* Joyce Boyd, Dept. of Clinical Sciences, 393 E. Walnut St., Pasadena, CA 91188. (818) 405-6326.

MARCH 18-25, 1989

Snowmass 1989: Practical Magnetic Resonance Imaging, Florida Radiological Society, Silvertree Hotel, Snowmass, Colorado. Topics include a comprehensive review of the applications and limitations of magnetic resonance imaging. Also, a complete teaching course for those who perform, order, and interpret magnetic resonance imaging will be offered. Accredited for 1-20 Category I credits. *Fees:* \$395

physicians and scientists; \$225 technologists and nurses; \$275 military pers. *Contact:* Dept. of Radiology Program Committee, PO Box 17241, Tampa, FL 33682 (813) 873-2090 or (800) 338-5901.

MARCH 28-31, 1989

Clinical Nuclear Medicine: 1989, Joint Program in Nuclear Medicine of Harvard Medical School, Westin Hotel, Copley Place, Boston, Massachusetts. Topics presented include SPECT, renal scintigraphy, cystography, estimating GFR, diuretic renogram, interstitial lung and PCP pneumonia, perfusion studies, lung, hepatobiliary, thyroid, bone imaging, peripheral venography, GI bleeding, catheter flow studies, and new technologies. 26 AMA Category I credits available. *Fees:* \$450 physician; \$325 residents, fellows, and RTs. *Contact:* Dept. of Continuing Education, Harvard Med-CME, PO Box 825, Boston, MA 02117 (617) 732-1525.

APRIL 5-6, 1989

25th Annual Meeting of the National Council on Radiation Protection and Measurements, Vista International, Washington, DC. Principal Scientific Session: Radiation Protection Today — The HCRP at Sixty Years. For additional information contact: NCRP 7910 Woodmont Ave., Suite 800, Bethesda, MD 20814 (301) 657-2652.

APRIL 9-14, 1989

UCLA Department of Radiology, General Radiology Review Course, Miramar Sheraton Hotel, Santa Monica, California. The course will include the basics of diagnostic radiology and cover ultrasound, nuclear medicine, angiography, CT, and magnetic resonance imaging. Teaching is provided by the full-time and clinical faculty of UCLA School of Medicine, Dept. of Radiology with one or two guest lecturers for special topics. *Fee:* \$400. Enrollment is limited and will be accepted on a first come basis. 40 hr of CME credit available. *Contact:* General Radiology Review, UCLA Dept. of Radiological Sciences, Continuing Medical Education, Center for Health Sciences, Los Angeles, CA 90024-1721. (213) 825-6883.

APRIL 10-12, 1989

The British Society of Nuclear Medicine, Annual Meeting, Imperial College, London, England. There will be commercial exhibits. The meeting includes a Technologist Program. *Fees:* £30 physician/scientist members, £40 nonmembers; £16 technolo-

gist/radiographer/nurse. 16 Category I credits available. *Contact:* Mrs. S. Hatchard, Conference Secretary, 157 Auckland Rd., London, SE19 2RH (01) 653-4204.

APRIL 14-16, 1989

Symposium on "Use of Antibodies for Detection and Therapy of Infection, Infarction, and Invasion", Massachusetts General Hospital, Le Meridien Hotel, Boston, Massachusetts. Topics presented include antibody composition and modification, techniques of radiolabeling, iodination, metal chelates, positron emitters, myocardial necrosis, and oncology. AMA Category I credit pending. *Fees:* \$400 physician/scientist; \$300 resident/fellows. *Contact:* Ms. Eleanor Plati, Nuclear Medicine Division, Massachusetts General Hospital, Boston, MA 02114 (617) 726-8353.

APRIL 23-24, 1989

California Radioactive Materials Management Forum, 7th Annual Spring Conference, San Diego, California. Topics presented include low-level radioactive waste disposal and siting in California. *Fees:* Members \$85; nonmembers \$110. *Contact:* Jean Parker, PO Box 40279, San Francisco, CA 94140. (415) 647-3353 or (415) 647-1668.

APRIL 26-28, 1989

Advances in Computed Tomography and Magnetic Resonance Imaging, University of Michigan Medical School, Dept. of Radiology, Towsley Center, Ann Arbor, Michigan. Course objectives are to review current techniques and applications of body computed tomography, and to present the most up-to-date information on magnetic resonance imaging, including uses in the central nervous system. 22 Category I credit available. *Contact:* Betty Phillips, Office of Continuing Medical Education, Towsley Center-Box 0201, University of Michigan Medical School, Ann Arbor, MI 48109-0201 (313) 763-1400.

APRIL 28-30, 1989

Fleischner Society Symposium on Chest Disease, Grand Hyatt New York, New York City. *Fees:* \$425 up to March 1; \$475 after March 1; \$250 residents-in-training. *Contact:* Naomi Feldman, Conference Coordinator, 3770 Tansy St., San Diego, CA 92121 (619) 453-6222.

APRIL 30-MAY 5, 1989

6th Annual Magnetic Resonance Imaging 1989: National Symposium, Florida

Radiological Society, Hyatt Orlando, Disney World/EPCOT Center, Florida. Topics presented include MRI of the head and spine, body, mobile MRI, and future applications in MRI. There will be commercial exhibits. Abstracts of lectures available free of charge to regs. 1-36 Category I credits available. *Fees:* \$575 physician/scientist; \$300 technologist/nurse; \$350 military personnel. *Contact:* Dept. of Radiology Program Committee, PO Box 17241, Tampa, FL 33682 (813) 873-2090 or (800) 338-5901.

MAY 1-3, 1989

Nuclear Medicine Update: Infection, Renal, and Cardiac, Emory Univ. School of Medicine, Dept. of Radiology, Division of Nuclear Medicine, The Ritz-Carlton Buckhead Hotel, Atlanta, Georgia. A review of three areas of clinical nuclear medicine and a presentation of recent development in each will be included. Accredited for 20 Category I credits. *Fee:* \$500. *Contact:* Continuing Medical Education, Emory Univ. School of Medicine, 1440 Clifton Rd., NE, Atlanta, GA 30322 (404) 727-5695.

MAY 1-5, 1989

The 1989 Incineration Conference, University of California, Irvine, ANS, HPS, ASME, AICHE, DOE, EPA. Cooperating Organizations are IAEA and ORNL. Holiday Inn-World's Fair/Knoxville Convention Center, Knoxville, Tennessee. Topics presented include regulatory aspects, operating experience, current research, off-gas treatment & monitoring, ash stabilization, risk assessment. Also included will be the identification of need and description of certification programs for incinerator operators, incineration of anti-neoplastic drugs, and biomedical mixed wastes. There will be commercial exhibits. 0.5 HPS credit hours available. *Fees:* Members \$385 before April 15, 1989, \$425 after; nonmembers \$395 before April 15, 1989, \$425 after. *Contact:* Charlotte Baker, EH&S, Univ. of California, Irvine CA 92717 (714) 856-7066.

MAY 7-10, 1989

7th International Symposium, Radionuclides in Nephro-Urology, Williamsburg Hospitality House, Williamsburg, Virginia. Topics presented include hypertension, renal physiology, radiopharmaceuticals, renal function, renal imaging, metabolic disease, transplantation, pediatrics, and urological diseases. AMA Category I applied for. *Contact:* Aron P. Goldfeld, Assist. Administrator, Dept. of Nuclear Medicine, Albert

Einstein College of Medicine, 1300 Morris Park Ave., Bronx, NY 10461 (212) 904-4011.

MAY 8-12, 1989

Nuclear Medicine Computers—Advanced, Gamma-II User's Group Foundation, Amsterdam, The Netherlands. *Contact:* Ms. E. Busemann-Sokole, Dept. of Nuclear Medicine, Amsterdam Academic Medical Centre, Meibergdreef 9, 1105AZ, Amsterdam Zuidoost, The Netherlands (31-20) 566-4550.

MAY 16-19, 1989

Annual Meeting of the Society for Cardiac Angiography & Interventions, The Royce Resort, Williamsburg, Virginia. Topics presented will include valvuloplasty, angioplasty, and other current topics of interest to the cardiac angiographer. There will be commercial exhibits. Accredited for 10 Category I credits. *Abstracts deadline:* post-marked by February 3, 1989. *Fees:* \$100 by invitation. *Contact:* Jean Parker, Parker & Parker, 1060 Potrero Ave., San Francisco, CA 94110 (415) 647-1668 or (415) 647-5909.

JUNE 4-8, 1989

1989 Annual Meeting—Educating the Public, American Nuclear Society, Atlanta Hilton & Towers Hotel, Atlanta, Georgia. *Fees:* to be determined. *Contact:* Dr. J. Nelson Grace, General Chairman, 5254 Rosser Rd., Stone Mountain, GA 30087. (404) 934-2006.

JUNE 24-30, 1989

Challenge 89—Decisions in Imaging, University Imaging Associates, London, England. Topics presented include magnetic resonance imaging, computer tomography, ultrasonography with emphasis on the indications and results obtained with each modality individually or in combination. *Fees:* \$425 before Mar. 1; \$495 after Mar. 1. *Contact:* University Imaging Associates, LAC/USC Medical Center, Box 66, 1200 N. State St., Los Angeles, CA 90033. (213) 226-7245.

JUNE 25-30, 1989

31st Annual Meeting, International College of Angiology, Cavalieri Hilton Hotel, Rome, Italy. Topics presented include cardiovascular disease & surgery, cerebrovascular disease, peripheral vascular disease, tomography, ultrasound, imaging, nuclear medicine, and noninvasive diagnostic techniques/radiology. *Abstracts deadline:* Dec. 15, 1989. *Fees:* Members \$175 before May 25, 1989, \$200 after; nonmembers \$225 be-

fore May 25, 1989, \$250 after. *Contact:* Denise M. Rossignol, Executive Director, CME Programs, International College of Angiology, Suite 103, 1044 Northern Blvd., Roslyn, NY 11576 (516) 484-6880.

JULY 16-21, 1989

American Association of Physicists in Medical Summer School, Nuclear Medicine—The Role of the Medical Physicist, Samford University, Birmingham, Alabama. Topics presented include SPECT and PET imaging, dosimetry of radiopharmaceuticals and monoclonal antibodies, new developments in instrumentation, quantitative nuclear medicine studies, and regulatory changes in radiation safety. *Contact:* AAPM, Executive Officer, 335 East 45th St., New York, NY 10017 (212) 661-9404.

JULY 23-27, 1989

American Association of Physicists in Medicine 31st Annual Meeting, Memphis Convention Center Complex, Memphis, Tennessee. Topics presented include the interdisciplinary role of the diagnostic and therapy physicist. *Abstract Deadline:* February 22, 1989. *Contact:* AAPM, 335 E. 45th St., New York, NY 10017. (212) 661-9404.

Notices

SNM EDUCATION AND RESEARCH FOUNDATION

Tetalman Memorial Award—A fund, established by the family and friends of Marc Tetalman, MD, provides an annual award of \$2,500 to one young investigator (36 years or younger) in nuclear medicine for his/her accomplishments. Applications must include a curriculum vitae, a statement detailing research accomplishments and future goals, three or more letters or recommendation from established investigators, and up to three selected reprints. Send letters and applications prior to March 1, 1989 to: Susan C. Weiss, CNMT, President, E&R Foundation, The Society of Nuclear Medicine, 136 Madison Ave., New York, NY 10016-6760. Selection of the successful candidate is based upon determination that he/she has attained a superior level of achievement with work that has had or is likely to have a significant impact on nuclear medicine.

Student Fellowship Grants—These grants are designed to stimulate interest among students in the United States and Canada in the field of nuclear medicine. These awards provide an opportunity to spend elective quarters and/or summers working with experts in the field. Maximum grant: \$2,000 for three months. Applications can be obtained from the office of the E&R Foundation, The Society of Nuclear Medicine, 136 Madison Ave., New York, NY 10016-6760. Applicants are advised that they must provide the information requested in the application form to be considered. The ranking of the candidate will be based on the quality and originality of the research proposal submitted. *Deadline:* May 1, 1989. Decisions on the candidates' rankings will be made at the Midwinter and Annual Meetings of the Society. The number of candidates to whom awards will be made will be a function of the funds available for student fellowships.

Pilot Research Grants—These grants are intended to provide seed money to scientists working in nuclear medicine. Such proposals must be of a pilot nature in either clinical or basic research. Maximum grant: \$5,000. Applicants may obtain an application form from the office of the E&R Foundation, and are advised that all the information requested must be completed for an application to be considered, including justification of why this is a pilot research grant and how it will allow the applicant, if successful, to fully develop his/her research program. *Deadline:* May 1, 1989. Decisions on such grants, based on available funding, will be made at the Midwinter and Annual Meetings of the Society. Send letters and applications to Susan C. Weiss, CNMT, President, E&R Foundation, The Society of Nuclear Medicine, 136 Madison Ave., New York, NY 10016-6760.

AWARDS COMMITTEE, SNM

Named Lectureships—Lectureships are available in either the Scientific Program or Continuing Education track of the June Annual Meeting. An SNM Chapter or Council may apply to the Awards Committee for a "named" lectureship (e.g., "Blumgart Lecture" sponsored by the New England Chapter). The rules are as follows: a) submit applications one year prior to the June Annual Meeting, b) sponsorship must be committed for a minimum of three years and requires that a minimum deposit of \$3,000 (approximately \$1,000/year) be

placed in a specially designated fund by the sponsoring body. The sponsor must also pay for the lecturer's travel, hotel, food, and incidental expenses at the Annual Meeting, and a suitable honorarium (e.g., minimum of \$500), and c) selection of the lecturer will be made by the Scientific Program Chairperson or designee in consultation with the sponsoring Chapter or Council.

MRI FELLOWSHIPS

Visiting Fellowships in MRI—The Department of Radiology of the Hospital of the University of Pennsylvania is currently sponsoring week-long and semi-monthly visiting fellowships in MRI for physicians and technologists. The courses will be directed by Dr. Herbert Y. Kressel, Director of MR Imaging Center. The technologist course will cover all the basics of MRI. For physicians, tuition will be \$1,250 for one week (with reduced tuition for subsequent weeks), and technologists' tuition is \$700 for one week. The fellowship is accredited for 35 hr. Category I credit. For further information please contact Janice Ford or Nancy Fedullo, Department of Radiology, Hospital of the University of Pennsylvania, 3400 Spruce St., Philadelphia, PA 19104 (215) 662-6904 or 662-6982.

Visiting Fellowships in MRI—The Johns Hopkins Hospital, Dept. of Radiology, MRI Division is currently offering a course in basic and advanced training in MRI. The course is designed to provide physicians with no or limited MRI experience with an understanding of MRI methods while em-

phasizing practical aspects of clinical scanning and interpretation. Tuition for this course is \$850 the first week and \$750 for an additional second week. The fellowship is accredited for 40 AMA Category I credits. For further information contact Elias A. Zerhouni, MD, Director, MRI Division, Dept. of Radiology, The Johns Hopkins Hospital, 600 N. Wolfe St., Baltimore, MD 21205 (301) 955-4062.

NCRP ROBERT D. MOSELEY, JR. FUND

The National Council on Radiation Protection and Measurements (NCRP) announces the establishment of the Robert D. Moseley, Jr. Fund for young physicians and others in radiation protection. The aim of the Fund is to foster in young physicians and others an interest in radiation protection and the work of the NCRP. Donations may be sent to the Robert D. Moseley, Jr. Fund, National Council on Radiation Protection and Measurements, Suite 1016, 7910 Woodmont Ave., Bethesda, MD 20814.

FELLOWSHIP AWARD

2nd Annual Fellowship Award in Cardiac Imaging—Squibb Diagnostics and the Society for Cardiac Angiography and Intervention invite the submission of applications for the second annual SQUIBB/SCA&I Fellowship Program for Research in Cardiac Imaging for 1989-1990. The program will award fellowships to physicians-in-training with demonstrated medical excellence whose research promises diagnostic

advancement and contribution to cardiac imaging.

A description of the fellowships, eligibility requirements, and application materials are available from The SQUIBB/SCA&I Fellowship Program Awards Committee, c/o Parker & Parker, 1060 Potrero Ave., San Francisco, CA 94110 (415) 647-1668 or 647-5909. Note: Applications must be post-marked no later than March 31, 1989. Those selected for the awards will be notified by April 17, 1989, and will be announced at the Annual Meeting of the Society for Cardiac Angiography and Interventions, May 16-19, 1989, at the Royce Resort in Williamsburg, VA.

REQUEST FOR PHOTOGRAPHIC IMAGES

Custom Medical Stock Photo, Inc., of Chicago, is now accepting medical photographic images for possible world-wide publication. Physicians, nurses, researchers, allied health professionals, and other healthcare personnel and departments are invited to submit their photographs to CMSP. Specializing in biomedical and scientific stock photography, the Chicago-based firm acts as agent to promote the licensing of photographic images to meet the needs of the publishing and advertising industry. Image requests are posted daily and are available through a free computer bulletin board service (BBS) accessed by calling (312) 248-7427. For further information and submission guidelines, contact CMSP at 3819 N. Southport Ave., Chicago, IL 60613-2823 (312) 248-3200.
