NOTICE

CHARLES E. CULPEPER FOUNDATION SCHOLARSHIPS IN MEDICAL SCIENCE

The Charles E. Culpeper Foundation is currently accepting applications for its 1996 scholarships in medical science programs designed to support the career development of academic physicians. Scholarships consists of up to three awards of \$100,000 per year, for three years, made to United States medical schools on behalf of candidates who are U.S. citizens, have received their MD degree from a U.S. medical school in 1987 or later, and are judged worthy of support by virtue of the quality of their research proposals. All scientific research relevant to human health is eligible for consideration. No institution may nominate more than one candidate. In selecting awardees, emphasis will be on identifying young physicians with clear potential for making substantial contributions to science as academic physicians. Awards will be announced by January 12, 1996 for activation on or about July 1, 1996. **Application deadline:** August 15, 1995. **Contact:** Glenn Valch, Charles E. Culpeper Foundation at Financial Centre, 695 East Main St., Suite 404, Stamford, CT 06901, (201) 307-1970.

SNM Education and Research Foundation

Student Fellowship Grants—These grants are designed to stimulate interest among students in the United States and Canada in the nuclear medicine field. These awards provide an opportunity to spend elective quarters and/or summers working with experts in the field. Maximum grant is \$3000 for three months. Ranking of the can-

didate will be based on the quality and originality of the research proposal submitted. Applicants must provide the information requested in the application form for consideration. Decisions on candidate's ranking will be made at the Mid-Winter and Annual Meeting of the Society of Nuclear Medicine. The number of candidates to whom awards
