

Meeting announcements from nonprofit organizations will be considered for publication in *The Journal of Nuclear Medicine* free of charge if the following information is included:

1. Date, title and location of meeting
2. Sponsoring group
3. Topics presented
4. Whether or not commercial exhibits are held
5. Deadline date for submission of abstracts
6. Number of CME credit hours
7. Registration fees and
8. Contact person, address and telephone.

Important notices pertaining to awards, certification, exams, grants and other announcements deemed appropriate by the Editor will also be considered for publication. They should not exceed 200 words.

All announcements must be submitted at least four months before the meeting date or notice deadline, and will be published no later than the issue of the month preceding the meeting or notice deadline. They are subject to editorial review and editing and should be pertinent to nuclear medicine. Please forward all nonprofit announcements to: Stacey Silver, Society of Nuclear Medicine, 1850 Samuel Morse Dr., Reston, VA 22090-5316. For-profit organizations wishing to announce meetings may purchase ad space by contacting Jessica McLane.

NOTICE

Charles E. Culpeper Foundation Scholarships in Medical Science—The Charles E. Culpeper Foundation is currently accepting applications for its 1997 scholarships in medical science program designed to support the career development of academic physicians. Up to three awards of \$100,000 per year for three years will be made to United States medical schools on behalf of candidates who are U.S. citizens, have received their MD degree from a U.S. medical school in 1988 or later and are judged worthy of support by virtue of the quality of their research proposals. All scientific research relevant to human health is eligible for consideration. No institution may nominate more than one candidate.

In selecting awardees, emphasis will be on identifying young physicians with clear potential for making substantial contributions to science as academic physicians. Application deadline: August 15, 1996. Awards will be announced by January 10, 1997 for activation on or about July 1, 1997. Application forms and instructions may be obtained by contacting the Charles E. Culpeper Foundation, Financial Centre, 695 East Main St., Suite 404, Stamford, CT 06901. Phone: (201) 307-1970. Fax: (201) 307-5632.

SNM Education and Research Foundation

For fellowship, grant and scholarship information contact: Sue Weiss, CNMT, E&R Foundation, Society of Nuclear Medicine, 1850 Samuel Morse Dr., Reston, VA 22090-5316.

Student Fellowships—These grants are designed to stimulate interest among students in the United States and Canada in the nuclear medicine field. These awards provide an opportunity to spend elective quarters and/or summers working with experts in the field. Maximum grant is \$3000 for three months. Ranking

of the candidate will be based on the quality and originality of the research proposal submitted. Applicants must provide the information requested in the application form for consideration. Decisions on candidate's ranking will be made at the Mid-Winter and Annual Meeting of the Society of Nuclear Medicine. The

number of candidates to whom awards will be made is determined by the funds available for student fellowships. Application deadline: May 1, 1996.

Pilot Research Grants—These grants are intended to provide seed money to scientists working in the nuclear medicine field. Such proposals must be of a pilot nature in either clinical or basis research. Maximum grant: \$5000. Applicants must provide the information requested in the application form for consideration, including justification of why this is a pilot research grant and how it will allow the applicant to fully develop his/her research program. Decisions on

such grants, based on available funding, will be made at the Mid-Winter and Annual Meeting of the Society of Nuclear Medicine. Application deadline: May 1, 1996.

Paul D. Cole Scholarships—Established by the SNM-Technologist Section and the family and friends of Paul D. Cole, twelve \$1000 scholarships, one for each of the three types of nuclear medicine technology training programs (certificate, associate, baccalaureate) are available for qualified applicants. Application deadline: May 1, 1996.

Attention Annual Meeting Attendees!

In order to help hold down Pre-Registration Meeting fees for SNM members, copies of the May Annual Abstract Book will not be distributed free of charge to attendees at the Annual Meeting. We regret that members who receive their Abstract Books through their normal subscription mailings will be charged (\$10) for copies requested on site.

MEDICAL COLLEGE OF WISCONSIN

**SPECT and CLINICAL NUCLEAR MEDICINE
CME Course**
June 15 - 16, 1996 (Saturday - Sunday)
Medical College of Wisconsin
Milwaukee, WI

Course Overview:

A basic review of clinical SPECT with emphasis on practical and essential information is presented. This course is intended to be of particular interest to nuclear medicine physicians, radiologists and nuclear medicine technologists working in a busy community hospital or imaging center. Lectures will cover SPECT in the areas of cardiac, bone, tumor and brain imaging. In addition, thyroid cancer therapy and infection imaging in nuclear medicine will be presented.

Faculty:

B. David Collier, MD
Robert S. Hellman, MD
Arthur Z. Krasnow, MD
Ali T. Isitman, MD
LisaAnn Trembath, CNMT

Tuition:

The tuition fee of \$295.00 for physicians and \$95.00 for technologists includes the course syllabus, handouts, breaks, breakfasts and lunches.

For Information or to register:

Please call LisaAnn Trembath at 414-777-3756.
