

Meeting announcements from nonprofit organizations will be considered for publication in *The Journal of Nuclear Medicine* free of charge if the following information is included:

1. Date, title and location of meeting
2. Sponsoring group
3. Topics presented
4. Whether or not commercial exhibits are held
5. Deadline date for submission of abstracts
6. Number of CME credit hours
7. Registration fees
8. Contact person, address and telephone

Important notices pertaining to awards, certification, examinations and grants and other announcements deemed appropriate by the Editor will also be considered for publication. They should not exceed 200 words.

All announcements must be submitted at least four months before the meeting date or notice deadline and will be published no later than the issue of the month preceding the meeting or notice deadline. They are subject to editorial review and editing and should be pertinent to nuclear medicine. Please forward all nonprofit announcements to Joyce Evans, Society of Nuclear Medicine, 1850 Samuel Morse Drive, Reston, VA 20190-5316. For-profit organizations wishing to announce meetings may purchase ad space by contacting Jessica McLane Pettit at the above address.

SNM Education and Research Foundation

For fellowship, grant and scholarship information, contact Sue Weiss, CNMT, E&R Foundation, Society of Nuclear Medicine, 1850 Samuel Morse Dr., Reston, VA 20190-5316.

Student Fellowships—These grants are designed to stimulate interest among students in the United States and Canada. These awards provide an opportunity to spend elective quarters and/or summers working with experts in the field. Maximum grant is \$3000 for three months. Ranking of the candidate will be based on the quality and originality of the research proposal submitted. Applicants must provide the information requested in the application form for consideration. Decisions on candidates' ranking will be made at the Mid-Winter and Annual Meetings of SNM. The number of candidates to whom awards will be made is determined by the funds available for student fellowships. Application deadline: May 1, 1998.

Pilot Research Grants—These grants are intended to provide seed money to scientists working in the nuclear

medicine field. Such proposals must be of a pilot nature in either clinical or basic research. Maximum grant is \$5000. Applicants must provide the information requested in the application form for consideration, including justification of why this is a pilot research grant and how it will allow the applicant to fully develop his or her research program. Decisions on such grants, based on available funding, will be made at the Mid-Winter and Annual Meetings of SNM. Application deadline: May 1, 1998.

Paul D. Cole Scholarships—Established by the SNM-Technologist Section and the family and friends of Paul D. Cole, twelve \$1000 scholarships, for each of the three types of nuclear medicine technology training programs (certificate, associate, baccalaureate), are available for qualified applicants. Application deadline: May 1, 1998.
