Errata

The article “Characterization of Plaques Using ^{18}F -FDG PET/CT in Patients with Carotid Atherosclerosis and Correlation with Matrix Metalloproteinase-1,” by Wu et al. (*J Nucl Med*. 2007;48:227–233), contains a unit-of-measure error. Throughout the article, the data for high-sensitivity C-reactive protein (hs-CRP) should have been given in units of mg/L instead of mg/dL. The authors regret the error.

In the article “Comparison of SPECT/CT, SPECT, and Planar Imaging with Single- and Dual-Phase $^{99\text{m}}\text{Tc}$ -Sestamibi Parathyroid Scintigraphy,” by Lavelly et al. (*J Nucl Med*. 2007;48:1084–1089), Table 1 contains an error. In the leftmost column, line 8 should read “early planar–early SPECT” instead of “early planar–delayed SPECT.” The authors regret the error.
