

**This is the First Call for
SCIENTIFIC EXHIBITS**

for the

**12th Annual Meeting, Bal Harbour, Florida
June 17, 18, and 19, 1965**

During early February, 1965, the Program Committee will select Scientific Exhibits for the 12th Annual Meeting. The Committee solicits both large and small scientific exhibits from both members and organizations. To plan space, the Program Committee must have an abstract of each exhibit including the following:

Exhibitor's Name: Underline the responsible exhibitor.

Title of Exhibit: Maximum of 10 words.

Abstract: Maximum of 100 words.

Indicate the minimum number of front feet required to precisely display exhibit. The abstracts will be edited by the Program Committee and published in the final program.

Send Abstracts to:

**Joseph B. Workman, M.D.
