

INFORMATION FOR AUTHORS

The Journal of Nuclear Medicine will publish original articles in clinical medicine, basic and clinical medical research, physics and chemistry dealing with the use of isotopes in humans, and articles on related subjects. The latter includes dosimetry, instrumentation, protection, techniques and biologic effects contributing to the use or effects of isotopes in clinical medicine or the clinical effects of ionizing radiation. Articles are accepted for publication on the condition that they are contributed exclusively to this journal. Authors will please note that they alone are responsible for the *TECHNICAL* accuracy of their manuscripts.

MANUSCRIPTS must be typed doubled or triple spaced, the latter being preferable, and with at least a one-inch margin on each side of a standard size page. The original with one carbon copy must be provided.

TABLES must have captions and be numbered consecutively in Arabic numbers.

ILLUSTRATIONS should be in black ink on hard white paper with all lettering of sufficient size and clarity to permit reduction. Each illustration must be identified by a label pasted to the back indicating its number, the author's name and an abbreviated title of the article. The top of the illustration must be clearly indicated. Illustrations must have descriptive legends grouped on a separate sheet (double spaced). Authors will be charged \$7.00 apiece for every illustration over four.

REFERENCES must be cited in the text by number in parentheses in order of appearance. A consecutive list according to reference numbers must be submitted on a separate page, double spaced. Literature references must be cited in the following order: name of author, title of article, name of periodical, with volume, page, month (day of month, if weekly) and year. Book references must be cited in the following order: author's name, name of book, editor's name (if any), city of publication, name of publisher and year of publication.

Unused manuscripts will be returned by regular mail. Used manuscripts are not returned. Used illustrations are returned after the article is published.

Society of Nuclear Medicine
First Call For The
SCIENTIFIC EXHIBITS
13th Annual Meeting, Philadelphia, Pennsylvania

June 23-25, 1966

The Program Committee is now selecting Scientific Exhibits for the 13th Annual Meeting. The Committee solicits both large and small scientific exhibits from both members and organizations. To plan space, the program committee must have an abstract of each exhibit including the following.

Exhibitor's name: Underline the responsible exhibitor

Title of Exhibit: Maximum of 10 words

Abstract: Maximum of 100 words

Indicate the minimum number of front feet required to precisely display exhibit. The abstracts will be edited by the program committee and published in the final program.

Send abstracts on or before February 1, 1966 to:

William Nelp, M. D.
Department of Nuclear Medicine
University Hospitals
Seattle 5, Washington

Society of Nuclear Medicine
First Call For Papers for the
13th Annual Meeting, Philadelphia, Pennsylvania

June 23-25, 1966

On February 15, 1966, the Scientific Program Committee will begin to select approximately 100 original papers for presentation at this meeting. Abstracts must be received by February 1, 1966.

All Abstracts Should Be Submitted in *Duplicate* With:

Author's name: Underline the author presenting the paper

Title: Maximum of 10 words

Abstract: Maximum of 300 words

Send Abstracts to:

Henry N. Wagner, Jr., M. D.
Department of Radiological Science
Johns Hopkins Medical Institutions
Baltimore, Maryland 21205
