CORRECTION NOTICE

Dr. Alexander P. Remenchik wishes to make a correction in the Abstract T-1, which appears on Page 328-329, May, 1967 issue of JNM: "*Precision and Accuracy of Assay in Whole-Body Counters of Radioactivity in Man.*" Charles E. Miller, Wayne Kessler and Alexander P. Remenchik. The 1st, 4th, 6th and 7th lines of the second paragraph (page 329) contain the phrase "weight/height." The authors wish to delete "/height", leaving "weight" by itself.
