## FELLOWSHIP IN MEDICAL PHYSICS

Applications are invited for the position of Fellow in Medical Physics in the Memorial Hospital for Cancer and Allied Diseases. Applicants should have some previous experience in some aspect of Physics and preferably be interested in a career in radiological physics. Anyone interested should communicate with Dr. John S. Laughlin, Attending Physicist, Memorial Hospital for Cancer and Allied Diseases, 444 East 68th Street, New York, New York, 10021.

## INFORMATION FOR AUTHORS

The Journal of Nuclear Medicine will publish original articles in clinical medicine, basic and clinical medical research, physics and chemistry dealing with the use of isotopes in humans, and articles on related subjects. The latter includes dosimetry, instrumentation, protection, techniques and biologic effects contributing to the use or effects of isotopes in clinical medicine or the clinical effects of ionizing radiation. Articles are accepted for publication on the condition that they are contributed exclusively to this journal. Authors will please note that they alone are responsible for the *TECHNICAL* accuracy of their manuscripts.

**MANUSCRIPTS** must be typed doubled or tripled spaced, the latter being preferable, and with at least a one-inch margin on each side of a standard size page. The original with one carbon copy must be provided.

**TABLES** must have captions and be numbered consecutively in Arabic numbers.

**ILLUSTRATIONS** should be in black ink on hard white paper with all lettering of sufficient size and clarity to permit reduction. Each illustration must be identified by a label pasted to the back indicating its number, the author's name and an abbreviated title of the article. The top of the illustration must be clearly indicated. Illustrations must have descriptive legends grouped on a separate sheet (double spaced). Authors will be charged \$8.00 apiece for every illustration over four.

**REFERENCES** must be cited in the text by number in parentheses in order of appearance. A consecutive list according to reference numbers must be submitted on a separate page, double spaced. Literature references must be cited in the following order: name of author, title of article, name of periodical, with volume, page, month (day of month, if weekly) and year. Book references must be cited in the following order: author's name, name of book, editor's name (if any), city of publication, name of publisher and year of publication.

Unused manuscripts will be returned by regular mail. Used manuscripts are not returned. Used illustrations are returned after the article is published.
