#### ASSOCIATION OF UNIVERSITY RADIOLOGISTS

The 15th Annual Meeting of the Association of University Radiologists was held in Philadelphia, Pennsylvania, May 11-13, 1967, at Temple University. The new officers of the Association for 1967-8 are:

President: MORTON M. KLIGERMAN, M.D., Yale University, New Haven, Connecticut.

President-Elect: STANLEY M. ROGOFF, M.D., University of Rochester, Rochester, New York 14620;

Secretary-Treasurer: HARRY Z. MELLINS, M.D., S.U.N.Y. College of Medicine, Brooklyn, New York, 11201.

The next annual meeting will be held at the Ohio State University School of Medicine, Columbus, Ohio, May 9-11, 1968. In 1969, the annual meeting will be held at the University of California in San Francisco.

An Annual Memorial Medal Award in honor of deceased members of the Association of University Radiologists is awarded to the resident in radiology writing the best original paper on some aspect of radiology during the period of competition. The paper must be the work of only one author, the resident. Manuscripts to be considered for the 1968 competition must be received by March 1, 1968. Inquiries should be addressed and papers submitted to the Secretary-Treasurer, Dr. Mellins, whose address is listed above.

The winner of the competition will be invited to present his work at the 16th Annual Meeting of the Association.

#### **SYMPOSIUM ON CINERADIOLOGY**

The Sixth Rochester Symposium on Cineradiology will be held in Rochester, New York, on April 25-27, 1968.

This announcement is an invitation for the submission of scientific papers for the program dealing with any facet of the technical or applied aspects of motion picture radiology including pertinent television technology.

The basic problems of technique and equipment will be dealt with in smaller seminar sessions.

As before, the seating capacity of our auditorium will limit registration to approximately 200 individuals.

For application forms to register or to present papers, write to: Raymond Gramiak, M.D., Division of Diagnostic Radiology, University of Rochester Medical Center, Rochester, New York 14620.

#### **CORRECTION NOTICE**

The authors of abstract T-1 (page 328, May, 1967 issue JNM) "Precision and Accuracy of Assay in Whole-Body Counters of Radioactivity in Man" wish to add that their investigation was supported in part by the U.S.A.E.C., the U.S.P.H.S. and the A.M.A.-E.R.F.

## INFORMATION FOR AUTHORS

The Journal of Nuclear Medicine will publish original articles in clinical medicine, basic and clinical medical research, physics and chemistry dealing with the use of isotopes in humans, and articles on related subjects. The latter includes dosimetry, instrumentation, protection, techniques and biologic effects contributing to the use or effects of isotopes in clinical medicine or the clinical effects of ionizing radiation. Articles are accepted for publication on the condition that they are contributed exclusively to this journal. Authors will please note that they alone are responsible for the *TECHNICAL* accuracy of their manuscripts.

**MANUSCRIPTS** must be typed doubled or tripled spaced, the latter being preferable, and with at least a one-inch margin on each side of a standard size page. The original with one carbon copy must be provided.

**TABLES** must have captions and be numbered consecutively in Arabic numbers.

**ILLUSTRATIONS** should be in black ink on hard white paper with all lettering of sufficient size and clarity to permit reduction. Each illustration must be identified by a label pasted to the back indicating its number, the author's name and an abbreviated title of the article. The top of the illustration must be clearly indicated. Illustrations must have descriptive legends grouped on a separate sheet (double spaced). Authors will be charged \$8.00 apiece for every illustration over four.

**REFERENCES** must be cited in the text by number in parentheses in order of appearance. A consecutive list according to reference numbers must be submitted on a separate page, double spaced. Literature references must be cited in the following order: name of author, title of article, name of periodical, with volume, page, month (day of month, if weekly) and year. Book references must be cited in the following order: author's name, name of book, editor's name (if any), city of publication, name of publisher and year of publication.

Unused manuscripts will be returned by regular mail. Used manuscripts are not returned. Used illustrations are returned after the article is published.
