INFORMATION FOR AUTHORS

The Journal of Nuclear Medicine will publish original articles in clinical medicine, basic and clinical medical research, physics and chemistry dealing with the use of isotopes in humans and articles on related subjects. The latter includes dosimetry, instrumentation, protection, techniques and biological effects contributing to the use or effects of isotopes in clinical medicine or the clinical effects of ionizing radiation. Articles are accepted for publication on the condition that they are contributed exclusively to this journal. Authors alone are responsible for the technical accuracy of their manuscripts.

Manuscripts must be typed double spaced on one side of 8½ x 11-in. bond paper with at least 1-in. margin on each side. The original with one carbon must be provided.

Tables must be typed on separate sheets of bond paper, numbered consecutively with arabic numerals and have titles (in caps) centered. Make titles descriptive and provide headings for all columns. Omit vertical lines. Place horizontal lines under title and under column headings.

Illustrations must be submitted in photographic form (8 x 10-in. glossy prints) or as original india ink drawings. Freehand lettering is not acceptable. Labeling should be clear, set in initial caps and lower case. Poor-quality illustrations will be returned to the author to be redone because good quality is essential for clarity of presentation. Photographs should be mounted on white cardboard. Illustrations should be identified by a label pasted on the back (do not write on the back of photographs with pen or pencil) indicating number, author's name and an abbreviated article title. The top of each illustration must be clearly marked. Descriptive legends with sufficient detail to make illustrations understandable without reference to text should be grouped on a separate sheet double spaced. Authors will be charged \$8 apiece for every illustration over four.

References must be cited in the text by number in parenthesis in order of appearance. A consecutive list according to reference number must be submitted on a separate page double spaced. Literature references must be cited in the following order: name of author (in caps and lower case), title of article (lower case), name of periodical abbreviated and underlined for italic (check Chemical Abstracts List of Periodicals for correct abbreviations), volume, page and year. Book references must be cited in the following order: author's name (caps and lower case), name of book (lower case) underlined, editor's name (if any), name of publisher, city of publication, year of publication and page.

Unused manuscripts will be returned by regular mail. Used manuscripts are not returned. Used illustrations are returned after the article is published.

EDITORIAL COMMUNICATIONS. All editorial correspondence should be sent to the Editor, George E. Thoma, M.D., St. Louis Univ. Medical Center, 1504 S. Grand Blvd., St. Louis, Mo. 63104, Phone 314-TO 5-2288. Books and monographs covering the use of nuclear phenomena in the diagnosis and treatment of disease and allied fields will be reviewed as space is available. Send copies to the Editor at the address above.

BUSINESS COMMUNICATIONS. Send all correspondence concerning business (advertising, subscriptions, change of address, etc.) to the publisher, Society of Nuclear Medicine, 211 E. 43 St., New York 10017, Phone 212-687-9169. Advertising rates are available from the publisher. Advertising is accepted subject to approval by an editorial committee. Forms close on the 20th of the second month preceding date of issue.

December, 1968, Vol. 9, No. 12. Second class postage paid at New York, N.Y., and at additional mailing offices. Subscription rates are \$20 per year within the United States; foreign \$21. Single copies \$2; foreign \$2.25; convention issue (June), \$4. Subscriptions on a calendar-year basis. Remittances should be made by check, draft, post office or express money order, made payable to Society of Nuclear Medicine. Notify the Society of change of address at least 30 days before date of issue by sending both the old and new address.

Published monthly at 211 E. 43 St., New York, N.Y. 10017.
