Announcement and Call for Abstracts for Scientific Program

The Scientific Program Committee welcomes the submission of abstracts of original contributions dealing with the following subjects:

1. Basic science aspects of nuclear medicine.
2. Investigative nuclear medicine—new clinical applications or original observations.
3. Nuclear medicine—its role in medical practice.
4. New radiopharmaceutical agent development and evaluation.
5. Advances in nuclear medicine technology and instrumentation development.
6. Short communications (five minute presentations).

GUIDELINES FOR SUBMITTING ABSTRACTS:

1. Send original and six copies to:
George V. Taplin, M.D.
Chairman, Program Committee, Society of Nuclear Medicine
UCLA Laboratory of Nuclear Medicine & Radiation Biology
900 Veteran Avenue, Los Angeles, California 90024
2. Give title of paper and name(s) of author(s) and institution(s) as you wish them to appear in the program. Underline the *name* of the author who will present the paper.
3. The abstract should include: the purpose of the study, the method(s) employed, pertinent results and/or conclusions. Please confine the abstract to a maximum of 300 words in a form suitable for publication in the final program and in the Journal. Additional data (tables, illustrations or statements) are welcomed by the Committee, which of necessity must be more selective in 1968.
4. Indicate address to which correspondence should be directed.
5. Interested investigators need *not* be members of the Society to participate in the program.

The editors of the Journal of Nuclear Medicine welcome the submission of complete manuscripts to be considered for publication.
